RE: Transmittal for Council File No. 23-0529

On June 25, 2025, the Transportation Committee considered a City Attorney report and draft ordinance relative to amending the Los Angeles Municipal Code (LAMC) to include recreational vehicles as vehicles that an operator is prohibited from renting, leasing, or selling in the public right-of-way, and update fines and late penalties for violations.

After an opportunity for public comment was provided, the Committee recommended AMENDING the draft ordinance dated April 17, 2025, attached to the Council file, to include the following amendments to be considered by the Transportation Committee no later than August 27, 2025:

1. Add a new Subsection: Criminal and Other Remedies Available. Any violation of this section may be prosecuted as a misdemeanor. In cases where the City Attorney elects to criminally prosecute a violation, the defendant shall be subject to all applicable penalties authorized by Section 11.00(m) of this Code, and not the administrative fines authorized by this section.
2. Provide an updated fine structure that allows for up to the maximum penalty.

The subject Council File is hereby transmitted to the Public Works Committee for further consideration.

Respectfully,

Rita Moreno
Legislative Assistant

Transportation Committee
