**Name:** Philip Armstrong

**Date Submitted:** 06/24/2025 11:56 AM

**Council File No:** 23-0600-S121

**Comments for Public Posting:** The Rampart Village Neighborhood Council (RVNC) submitted a community impact statement (CIS) for this council file. However, Agenda Item 6 says no CIS was submitted. In the RVNC's CIS, the following was stated: On June 17, 2025, Philip Armstrong spoke with Officer Jonathan Maldonado at the LAPD Central Traffic Detective Desk regarding Report No. 240212449 (Transportation Injury Mapping System Case ID 9732987; copy attached) for a collision between a Metro bus and a bicyclist that he observed on Vermont Avenue near Beverly Boulevard on July 30, 2024. Officer Maldonado told Philip that there was no investigation of this collision because a crime was not committed and all he could do was to file a supplemental report with Philip's contact information. On June 24, 2025, Officer Maldonado contacted Philip to confirm his statement for the collision report and Officer Maldonado said they changed the primary collision factor based on his statement. Officer Maldalso told Philip that the only reason the officers took the original collision report was because LAPD has a contract with MTA.
