

Transportation Committee

August 13, 2025

(C.F. 23-0600-S21)

Item No. 18

Amendment provided by Council District 1 (Hernandez)

2. Direct LADOT and the CAO to report on the expenditure and encumbrance of all Vision Zero funds from all fiscal years in the First Financial Status Report and the Mid-Year Financial Status Report;

- a. **Instruct the Los Angeles Police Department (LAPD) to report back in the Financial Status Reports on the allocation and use of sworn overtime budget line item dedicated to traffic and speed enforcement under the Vision Zero program.**

12. Direct LADOT, with the assistance of LAPD and the CAO, and other appropriate City departments to report back with an implementation and funding strategy for the use of automated speed enforcement, in accordance with direction in CF 23-1168;

- a. **Direct LADOT, with the assistance of LAPD and the CAO, and other appropriate City departments, to report back on the protocols in place to protect individual's privacy, limit data retention periods, and prevent the sharing of data with outside entities.**

(and any necessary changes to MOUs with entities that operate speed enforcement cameras)

of these systems used to speed enforcement cameras.
