Comments for Public Posting: George Hornig supports adding affordable housing, but only if tools and guardrails for planning and preservation, in all our HPOZ and Historic Districts neighborhoods in their entirety will be protected from out-of-scale and incompatible new development. Historic Preservation Overlay Zones protect the cultural and architectural history of Los Angeles. In addition, for 45 years, those zones have maintained high-quality affordable housing better than elsewhere in the City as a whole.

Comments for Public Posting: Concerning ED1 I am urging you to add guardrails to Executive Director 1 that make way for affordable housing but also protect L.A.'s historic neighborhood, especially HPOZs.
