Comments for Public Posting: I, Brian Setzer, support adding affordable housing, but only if tools and guardrails for planning and preservation, in all our HPOZ and Historic Districts neighborhoods in their entirety will be protected from out-of-scale and incompatible new development. Historic Preservation Overlay Zones protect the cultural and architectural history of Los Angeles. In addition, for 45 years, those zones have maintained high-quality affordable housing better than elsewhere in the City as a whole.

Comments for Public Posting: As a resident of Hancock Park, I want full protection for our HPOZs and Historic Districts in the CF 23-0623 codification of ED 1.
