

PUBLIC WORKS COMMITTEE REPORT relative to the impacts of the Vincent Thomas Bridge Deck Replacement Project.

Recommendations for Council action, pursuant to Motion (McOsker – Yaroslavsky):

1. INSTRUCT the California Department of Transportation, in partnership with the Port of Los Angeles (POLA), Los Angeles Department of Transportation (LADOT), the Board of Public Works, Los Angeles County, and the Alameda Corridor Transportation Authority, to report on an update to all proposed projects currently in design or under construction during the duration of the Vincent Thomas Bridge Deck Replacement Project. The report should include target dates for completion and identify additional mitigation measures to address any impacts on these projects caused by the bridge replacement.
2. INSTRUCT the POLA, Bureau of Engineering (BOE), Bureau of Street Services (BSS), Los Angeles Department of Building and Safety (LADBS), LADOT, with assistance from the City Administrative Officer (CAO), and any other relevant departments, to report with an analysis, including:
 - a. The circulation impacts of the full closure on the existing local emergency evacuation routes and proposed detour routes.
 - b. Environmental analysis and mitigations to the impacts on local communities where the detour routes are located.
 - c. The detour routes' road conditions and the necessary repairs to bring them to a state of good repair.
 - d. The ability to repair the road conditions before and after the full closure.
3. INSTRUCT the POLA, BOE, BSS, LADBS, LADOT, and any other relevant departments, to halt any pending approvals related to the Vincent Thomas Bridge Deck Replacement Project until this additional analysis has been completed.
4. INSTRUCT the POLA, BOE, BSS, LADBS, LADOT, with assistance from the CAO, and any other relevant departments, to report on project cost escalation due to any delays associated with the Vincent Thomas Bridge Deck Replacement Project.

Fiscal Impact Statement: Neither the CAO nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

SUMMARY

At the meeting held on March 5, 2025, your Public Works Committee considered a Motion (McOsker – Yaroslavsky) relative to the impacts of the Vincent Thomas Bridge Deck Replacement Project.

After an opportunity for public comment was held, the Committee moved to approve the recommendations contained in the Motion as amended, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS COMMITTEE
