The Board of Building and Safety Commissioners, at its meeting of July 25, 2023, gave consideration to the application by Ben Rocca, to export 2,350 cubic yards of earth from the above-referenced property.

The Board took the following actions:

1. DETERMINED the project is categorically exempt under CEQA pursuant to Section 15332 (Class 32) of the California Environmental Quality Act (CEQA) Guidelines (Case No. ENV-2022-6651-CE), and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines, Section 15300.2 applies.
2. APPROVED the application subject to all conditions specified in the Department's report dated July 19, 2023.

This action becomes effective and final when ten calendar days has elapsed from the date of the Board's action, unless an appeal is filed with the City Council pursuant to Section 91.7006.7.5 of the Los Angeles Municipal Code.
