An ordinance amending the Redevelopment Plan for the Adelante Eastside Redevelopment Project Area pursuant to Los Angeles Municipal Code Chapter 1A Section 13B.12.6.

WHEREAS, the Redevelopment Plan for the Adelante Eastside Redevelopment Project was approved and adopted by City Council of the City of Los Angeles on March 24, 1999, by Ordinance No. 172,514, and was amended on October 31, 2003, by Ordinance No. 175,608 (pursuant to Senate Bill 1045), and on September 8, 2009, by Ordinance No. 180,879, (referred to as the Redevelopment Plan); and

WHEREAS, on June 27, 2012, the State enacted Assembly Bill 1484, which added, in part subdivision (i) to Section 34173 to the Health and Safety Code, which allows any city, county, or city and county, that did not elect to become the successor agency to its former redevelopment agency, to request the transfer of all land use related plans and functions of the former redevelopment agency; and

WHEREAS, the City of Los Angeles did not elect to be a successor agency to the Former Community Redevelopment Agency of the City of Los Angeles (CRA) after the passage of Assembly Bill X1 26, the Dissolution Law; and

WHEREAS, on September 24, 2019, the City Council of the City of Los Angeles adopted a resolution requesting transfer of all land use related plans and functions pursuant to Health and Safety Code Section 34173(i); and

WHEREAS, the City requested the transfer in part to streamline the approval of housing in the City as every project in a redevelopment plan area was required to be reviewed by the CRA/LA-DLA, in addition to review under City entitlement review; and

WHEREAS, the Adelante Eastside Redevelopment Project Area covers portions of the Boyle Heights Community Plan Area and the Northeast Los Angeles Community Plan Area; and

WHEREAS, the City initiated an update (Boyle Heights Community Plan Update) to the Boyle Heights Community Plan (Community Plan) to establish the City's goals, policies, and programs to implement the City's vision for the development of the Community Plan Area consistent with the Framework Element, the Mobility Plan, and the City's other General Plan elements; and

WHEREAS, the Boyle Heights Community Plan Update includes a comprehensive review and update to the Community Plan and all City zoning ordinances and other applicable land use plans that implement the updated Community Plan, including without limitation amendments to the Zoning Map to rezone the zone and height districts in the Community Plan Area, amendments to the River Implementation Overlay District and the Clean Up Green Up Ordinance, and the adoption of the Boyle Heights Community Plan Implementation Overlay District; and

WHEREAS, the City Council adopts the findings in the City Council file dated June 10, 2024, titled "Attachment to Communication dated 6-10-24 – Exhibit B City Charter, LAMC, GP Findings," which among other things finds the Adelante Eastside Redevelopment Plan is in conflict with the Boyle Heights Community Plan Update by adding burdensome and unnecessary regulations and processes to the development of desirable housing and employment serving uses; and

WHEREAS, to the fullest extent of the City's authority over the land use related plans and functions of the former Community Redevelopment Authority, the City now desires to amend the Adelante Eastside Redevelopment Plan to make the Adelante Eastside Redevelopment Plan have no further force or effect in the the Boyle Heights Community Plan area.
