Dear Honorable Members:

SUMMARY OF AMENDMENTS TO THE FINAL ZONE CHANGE ORDINANCE FOR THE BOYLE HEIGHTS COMMUNITY PLAN UPDATE; CF 23-0861; CF 23-0861-S1; CASE NO. CPC-2016-2905-CPU, CPC-2016-2905-CPU-M1; ENV-2016-2906-EIR

The Zone Change Ordinance (Section 1, Section 2, Section 3, Section 4, and Section 5), initially recommended by the City Planning Commission on April 20, 2023, has been updated for General Plan consistency and to reconcile further actions by the City Planning Commission on January 11, 2024, and the City Council on December 12, 2023 and September 25, 2024.

The following is a summary of the changes shown in Table 1. Zone Change Ordinance Modifications:

- Changes to the Zone Change Ordinance to incorporate modifications moved by the City Planning Commission and City Council that amend the General Plan Land Use Designation Map to introduce the Hybrid Industrial general plan land use designation and corresponding zoning districts into the Boyle Heights Community Plan area.
- Changes to the Zone Change Ordinance to include the Transportation Communication Network (TCN) Supplemental District on four properties owned by the Los Angeles County Metropolitan Transportation Authority (LACMTA). The City Council adopted the TCN Ordinances¹ on December 15, 2023, including four applicable Assessor Parcel Numbers within the Boyle Heights Community Plan area.
- Technical modifications to rename Form Districts “Very Low Rise Narrow (VN1)” to “House (H3)” and “Very Low Rise Narrow (VN2)” to “Very Low Rise Narrow (VN1)” for consistency with how other Form Districts are named.
- New Subarea assignments in the Table entitled “Boyle Heights Community Plan Update Zoning Matrix” in Section 2 of the final Zone Change Ordinance due to technical corrections and changes to several Assessor Parcel Numbers and Parcel Identification Numbers.
