Comments for Public Posting: I would like to request ordinance 41.18, no sleeping or encampment within 500 sq ft of a school, to be extended to vehicle dwelling.

The RVs on the corner of Sycamore and Lucerne are very concerning. It is a safety hazard. (11233, 11231, 11229 Lucerne)

- a. The homeless people have taken over the sidewalk, forcing kids to walk and ride their bikes in the street. The RVs prevent them from adequately being seen, putting them at risk of being hit. On one occasion, my neighbor almost hit a child on a bike because she did not see them coming around the RV. (Culver City Middle and High School are less than 1 mile east of Lucerne, past Sepulveda. Home Sweet Home Preschool is less than 500 yards away).
- b. They cause an Interruption of traffic. The street is narrow, so only one car can pass at a time.
- c. When we are leaving our street in our cars (Sycamore going north), we can only guess if there is cross traffic going west on Lucerne, because we cannot see anything around the RVs.
