Comments for Public Posting: I live next to a semi industrial area in Del Rey. I cannot, will not walk on Beatrice street between Grosvenor and Westlawn, south of Jefferson for fear of the derelicts and their unleashed dogs. The sidewalks are completely blocked with rv owners tents, garbage, bicycle chop shop and drug paraphernalia! These rv dwellers regularly fill up shopping carts with copious amounts of garbage and feces spilling out and then push them onto Grosvenor and Lucile street (residential), I have submitted multiple requests for sanitation pick up on 311 APP. Why should I have to play the role of clean up service? This stubborn, rude, corrupt population are allowed to filth up our neighborhood while selling drugs. Beatrice street became an rv encampment over 2 years ago. I've been photographing the ebb and flow. American Disabilities Actsays sidewalks must be accessible to all! Please help us eliminate this mess. Bring in the white street posts that will barricade these squatters. Give us our streets back! This form will not accept my photos. I have them if needed. Thank you for visiting the 12550 Beatrice St. address to see for yourself. Sincerely, Kim. Del Rey Residents Association member.
