Comments for Public Posting: Please vote to keep the RV's out of sensitive areas. It's imperative that we feel safe in our neighborhoods and our children are safe coming and going to school. RV's should have designated area's. This is of utmost importance and a true safety emergency. I recently had an incident with an RV that decided to park in our quiet neighborhood. The RV driver was masturbating outside his vehicle in the street. I called the police but they didn't come. We are on our own with no protection from the authorities. This person does not live in our neighborhood, yet we are forced to tolerate anyone who decides to pull up in an RV or a car and take residence on our neighborhood streets. That is not right at all. I specifically chose to buy a home in a safe quiet neighborhood. PLEASE VOTE TO KEEP RV'S OUT OF SENSITIVE AREAS. IT'S A PUBLIC SAFETY ISSUE AND IT'S URGENT!!!
