

## Communication from Public

**Name:** Russell Cletta

**Date Submitted:** 11/21/2023 10:44 AM

**Council File No:** 23-0914

**Comments for Public Posting:** As a long time resident and business owner in Venice, I am writing to give my strong support for Councilwoman Park's motion CF 23-0914 to immediately return sanitary and safe conditions in our neighborhood. LAMC 85.02 should have never been allowed to sunset and the city and neighborhoods are paying the price for this shortsightedness.
