Comments for Public Posting: Council Members, A ban on animal breeding is necessary at this time. The responsibility to address the crisis of dog and cat overpopulation should not lie solely on rescue organizations and the individuals who support them. The city and its council members CAN make a difference and act humanely by beginning to rectify a community issue that has been magnified by the flagrant misuse and issuance of breeding licenses. It is the duty of this council to begin to correct a wrong and begin to acknowledge that a difference can be made, and it needs to begin NOW. Thank you for your time.

Comments for Public Posting: Please make stricter regulations around breeding so we stop seeing so many innocent dogs dying in overcrowded shelters
