SEPTEMBER 30, 2025**

SUMMARY

This report provides an update on the City's progress toward meeting the Alliance Settlement Agreement obligation to create 12,915 new shelter or housing solutions by June 13, 2027, as of the quarterly status report submitted to the U.S. District Court of Central District of California for the quarter ending September 30, 2025. Of the 12,915 beds or units required under the Settlement, 8,002 beds or units are open and 5,114 beds or units are in progress, for a total of 13,116 beds or units that satisfy the intent of the Settlement.

RECOMMENDATION

Note and file.

BACKGROUND

On March 10, 2020, the LA Alliance for Human Rights, a coalition of downtown Los Angeles residents and business owners, including persons who are currently experiencing and have formerly experienced homelessness, filed suit against the City and the County of Los Angeles ("County") for violating various State and federal laws in connection with the City's and County's alleged failures in responding to homelessness.

On May 15, 2020, the U.S. District Court of Central District of California (District Court) issued a preliminary injunction requiring the City and the County to relocate and shelter all homeless individuals living near freeway overpasses, underpasses, and ramps. On June 16, 2020, the City reached an agreement with the County to create 6,700 homeless housing units within 18 months to address the COVID-19 emergency. This

agreement is referred to as the Covid-19 Homelessness Roadmap or the Freeway Agreement. The City has met all obligations under the agreement. The Roadmap agreement ended June 30, 2025.

On June 14, 2022, the District Court approved a Settlement Agreement (Settlement) between the City and the plaintiffs and dismissed the City from the lawsuit. The District Court retained jurisdiction for a period of five years to enforce the terms of the Settlement and appointed a special master to assist the District Court to monitor and enforce the terms of the Settlement.

The Settlement is a five-year agreement beginning June 14, 2022, and ending June 13, 2027. Under the Settlement terms, the City will create 12,915 new shelter or housing solutions that are equitably distributed across the City. In addition to the Citywide required number, target numbers for each Council District were established based on the 2022 Point in Time Count. The type of housing or shelter interventions used toward the Settlement are determined at the City's sole discretion. The City may not use any interventions toward the Settlement that opened prior to the Settlement start date of June 14, 2022, or any interventions used to satisfy the City's June 16, 2020 Roadmap agreement. As part of the Settlement, the City also reports on data related to encampment engagement, cleaning, and reduction milestones.

The City reports to the District Court quarterly on progress toward meeting the Settlement requirements. The last quarterly reporting period was through September 30, 2025, and the Quarterly Status Report and Supplement to the Quarterly Status Report report filed with the Court are provided as Attachment 1 - Fiscal Year 2025-26 Quarter 1 Report per Settlement Agreement and Attachment 2 - Fiscal Year 2025-26 Supplement to Quarter 1 Report per Settlement Agreement. The Supplement to the Quarterly Status Report provided updated data on the number of beds or units open and in process along with information on the number of persons experiencing homelessness served at each site.

DISCUSSION

Quarterly Progress: July 1, 2025 - September 30, 2025

This report provides updates regarding the City's progress in meeting the Settlement shelter and housing production requirements as of September 30, 2025.

Beds/Units Open and In Progress as of September 30, 2025

As of September 30, 2025, of the 12,915 beds or units required under the Settlement, 8,002 beds or units are open and 5,114 beds or units are in progress, for a total of 13,116 beds or units that satisfy the intent of the Settlement. This total does not include 52 beds or units that were offline as of September 30, 2025. Including these offline units, there are 13,168 beds or units that satisfy the intent of the Settlement. Attachment 3 - Alliance Settlement Agreement Progress as of September 30, 2025, shows both

Citywide and Council District totals, including units offline as of September 30, 2025. Attachment 4 – Alliance Settlement Beds/Units Production Pipeline as of September 30, 2025, shows the number of beds/units currently expected to open each fiscal year by Council District.

The 8,002 beds or units open as of September 30, 2025, include the following:

- 1,760 interim housing (IH) beds
 - 496 Inside Safe Hotel/Motel Booking Agreement units
 - 652 Inside Safe Hotel/Motel Occupancy Agreement units
 - 33 Behavioral Health Continuum Infrastructure Program - Emergency Stabilization Beds Grant Funds beds
 - 579 other IH beds

- 6,242 permanent supportive housing (PSH) units
 - 619 Project Homekey-2 units
 - 101 Project Homekey-3 units
 - 3,827 Prop HHH units
 - 682 Master Lease units
 - 1,013 other PSH units

The 5,114 beds or units in progress as of September 30, 2025 include the following:

- 758 IH beds
 - 215 Project Homekey-3 beds
 - 483 Behavioral Health Continuum Infrastructure Program - Emergency Stabilization Beds Grant Funds beds
 - 60 other IH beds
- 2,356 PSH units
 - 130 Project Homekey-1 units
 - 595 Project Homekey-2 units
 - 24 Project Homekey-3 units
 - 1,048 Prop HHH units
 - 559 other PSH units
- 2,000 Time-Limited Subsidies

Offline Units

As of September 30, 2025, 4 interim housing beds/units and 41 permanent supportive housing units were offline, and 7 permanent supportive housing units at an open site were pending a Housing Assistance Payment (HAP) contract from the Housing Authority of the City of Los Angeles (HACLA) before they could be occupied, for a total of 52 offline units. These units were excluded from the total reported open as of September 30, 2025.

Hotel/Motel Booking and Occupancy Agreements

The number of rooms reported for hotel/motel booking agreements is the highest number of participant rooms used during the quarterly reporting period (July 1, 2025 -

September 30, 2025), based on invoice records available at the time the report was filed. If no invoices have been received for the reporting period for a hotel/motel booking agreement as of the time of the report, the number of beds for that site is listed as zero for that quarter.

Invoice records for the reporting period available at the time of the report are also used to confirm the number of rooms used for participants versus administrative purposes for hotel/motel occupancy agreements.

Council District Targets

As shown in Attachment 3 - Alliance Settlement Beds/Units Production Pipeline as of September 30, 2025, two Council Districts, CD 1 and CD 8, have met their target numbers, and three additional Council Districts, CDs 3, 6, and 13, are projected to meet their target numbers. As detailed in Attachment 4 – Alliance Settlement Beds/Units Production Pipeline as of September 30, 2025, CDs 3 and 13 are projected to meet their target numbers in FY 2025-26, and CD 6 is projected to meet its target number in FY 2026-27. The remaining Council Districts would need to add additional beds or units in order to achieve these targets, as shown in the “Current Delta” column. These additional beds or units may include Time-Limited Subsidy (TLS) placements as detailed below. The City is not required to meet each Council District target in order to comply with the Settlement; rather, the Settlement requires the City to equitably distribute housing and shelter solutions throughout the City, and these Council District targets may be used as a guideline.

Time-Limited Subsidies

On September 30, 2025, Council approved a bed plan for the Alliance Settlement Agreement that included 2,000 TLS (C.F 23-1022-S18). These TLS are listed as in process in the quarterly report. Of the 2,000 TLS, 1,000 will be allocated beginning FY 2025-26, with obligation through FY 2026-27, and an additional 1,000 will be allocated in FY 2026-27, with obligation through FY 2027-28. As part of the bed plan approval, \$16.3 million was allocated to support FY 2025-26 TLS, of which \$1.4 million is reserved for Transitional Age Youth (TAY). To fund the remaining TLS, an additional \$80.9 million in funding needs to be identified over the next three fiscal years: \$8 million for FY 2025-26, \$48.6 million for FY 2026-27, and \$24.3 million for FY 2027-28.

Each subsidy will be reported as “open” in the quarterly status reports once a placement is made and will be counted toward the Council District where the placement is located. A future report will address strategies to match and lease up individuals in an equitable manner across all council districts from interim housing sites.

Permanent Supportive Housing Timelines

Based on current projected timelines, three in-progress PSH interventions included in the Alliance pipeline may not open by June 13, 2027. These include a 137-unit project in Council District 13, and a 97-unit and a 83-unit project in Council District 14, totaling 317 units. The CAO is monitoring the timelines for these projects. Council Districts are

also encouraged to monitor the timelines of all PSH projects in their districts, especially those projected to open in the first half of calendar year 2027. In the event that these or other PSH projects need to be removed from the pipeline because they will not open by the end of the Settlement term, additional beds or units will need to be identified.

Removed Projects

Five in-progress interventions have been removed from the previously reported Alliance pipeline due to the current projected opening dates extending well beyond June 13, 2027. These interventions are a 12-unit project and a 50-unit project located in Council District 1, a 33-unit project located in Council District 6, a 15-unit project located in Council District 8, and a 31-unit project located in Council District 15, for a total of 141 units.

County Reimbursement for Alliance Interim Housing Services

In accordance with the Memorandum of Understanding (MOU) between the City and the County relative to the Alliance Settlement Agreement, the County will reimburse for services at interim housing sites counting toward the City’s Alliance Settlement obligations. The County’s reimbursement for services is limited to a maximum of 3,100 interim housing units and a total amount not to exceed \$259,000,000. The MOU states that the City shall invoice the County for the services costs of interim housing beds that are included in the City’s quarterly reports to the Court and that are active and that clients can be placed in. The MOU also states that the City will not retroactively add interim housing beds to its quarterly reports to the Court. (C.F. 23-1022-S4; May 31, 2024).

The City has thus far received a reimbursement of \$13.5 million from the County for services rendered at Alliance interim housing sites. On February 28, 2025, \$1.7 million was received and \$11.8 million was received on July 9, 2025. Additional details are provided in Table 1 below. At this time, the Office of the CAO expects that the City will realize \$39,027,707 in revenues related to Alliance reimbursements for FY 2024-25 service costs in FY 2025-26, as anticipated in the FY 2025-26 Adopted Budget. This amount is in addition to the \$11.8 million received in July, for a total of \$50.8 million in Alliance services reimbursement revenue anticipated to be received in FY 2025-26. The reimbursements of prior fiscal year costs are expected to support the on-going service costs of sites eligible towards the Alliance Settlement obligations.

Table 1 - County Reimbursement for Alliance Interim Housing Services

Invoice #	Service Period	Amount	Date Check Received
1	FY 22-23 Highland Gardens	\$1,723,150.00	2/28/2025

Attachment 1 – Fiscal Year 2025-26 Quarter 1 Report per Settlement Agreement

1 TO THE COURT AND TO ALL PARTIES AND THEIR ATTORNEYS OF
2 RECORD:

3 Pursuant to Paragraph 7.1 of the Settlement Agreement between LA Alliance for
4 Human Rights et al. and the City of Los Angeles (Dkt. 421), the City submits this
5 quarterly status update regarding its progress with the Settlement Agreement:

6 **Creation of housing or shelter solutions:** Attached as **Exhibit A** is a report that
7 provides the number of housing or shelter opportunities created or otherwise obtained
8 and the number of opportunities currently available in each Council District for the
9 quarter ending September 30, 2025. Consistent with this Court’s June 24, 2025 Order
10 (Dkt. 991), for each unit that already physically existed prior to the Settlement
11 Agreement, **Exhibit B** provides an explanation of how the City “created” that unit,
12 meaning contributed to bringing that unit into existence as a shelter or housing solution
13 for people experiencing homelessness as opposed to its prior use.

14 This Quarterly Report does not include information regarding the number of
15 persons experiencing homelessness served by the current intervention opportunities.
16 The City has not been able to collect and verify that information in the time provided to
17 complete this Report. The City will continue to pursue collection of that data and will
18 provide it to the Court upon receipt.

19 **Encampment reductions:** **Exhibit C** provides encampment reduction data
20 consistent with this Court’s definition set forth in its June 24, 2025 Order (Dkt. 991),
21 from which the City has appealed. Although the City disputes, and is appealing, the
22 definition of “encampment reduction” in the Court’s June 24, 2025 Order (Dkt. 991),
23 the City also provides in **Exhibit C** the previously reported encampment reductions for
24 the periods January 1, 2024 to March 31, 2025 that is consistent with the Court’s
25 definition. Because the City did not previously separately track the removal of tents,
26 makeshift shelters, cars and RVs that were associated with offers of shelter prior to the
27 Court’s June 24, 2025 Order, the information provided in **Exhibit C** for the periods
28

Attachment 1 – Fiscal Year 2025-26 Quarter 1 Report per Settlement Agreement

1 January 1, 2024 to June 24, 2025 is based on the City’s reasonable and conservative
2 estimate following a careful review of the information.

Explanation of how the City created the units that already physically existed prior to the Settlement Agreement																																																																
Site No.	Explanation																																																															
1	<p>Washington View Apartments 720 W WASHINGTON BLVD Los Angeles, CA 90015</p> <p>The Washington View Apartments is a new construction and rehabilitation affordable housing project with 91 PSH units on the site of the historic Pierce Brothers Mortuary. The project was awarded a Proposition HHH Supportive Housing Loan from the City.</p>																																																															
2	<p>PATH Villas Montclair/Gramercy(Recap-Site 2 of 2) 3317 W WASHINGTON BLVD Los Angeles, CA 90018</p> <p>PATH Villas Montclair/Gramercy is a project consisting of two PSH sites: a new construction site at 4220 W. Montclair St (the Montclair site) and an acquisition/rehabilitation project at 3317 W. Washington Blvd (the Gramercy site). Only the Gramercy site is counting toward the Settlement, as the Montclair site opened prior to the Settlement start date.</p> <p>The City provided financing to create 16 PSH units at the Gramercy site, which was in need of significant rehabilitation to ensure its long-term viability. The Gramercy site previously served as a transitional housing program for transition-age youth with children, with a typical program stay of 8 to 18 months. As a result of the City financing, the site was rehabilitated into a PSH site with all new unit interiors, building exteriors (repointing brick), roof, major systems (including elevator), landscaping, a new two-bedroom manager unit, and the reconfiguration and expansion of commercial space at the site used by the non-profit PATH Center.</p> <p>The City financing for the project, which included the new construction at the Montclair site, included the City's issuance of tax-exempt multifamily conduit revenue bonds and, for the Gramercy site specifically, the commitment of HOME Investment Partnership Program (HOME) and Housing Opportunities for Persons with AIDS (HOPWA) funds allocated to the City by the U.S. Department of Housing and Urban Development (HUD). The Los Angeles County Department of Health Services (DHS) committed Flexible Housing Subsidy Pool (FHSP) rental subsidies for the 16 PSH units and provides Intensive Case Management Services (ICMS) at the site.</p>

18	<p>Highland Gardens 7047 Franklin Ave Los Angeles, CA 90028</p> <p>Highland Gardens is a hotel that was previously used by the City as a Project Roomkey (PRK) site from July 8, 2021 to October 31, 2022. The PRK program was a temporary program established in March 2020 as part of the State of California’s response to the COVID-19 pandemic that provided non-congregate shelter options for people experiencing homelessness who were at high risk for medical complications, serious illness, or death from COVID-19. When the PRK program ramped down in October 2022, the City and hotel owner discussed converting the hotel into an interim housing site. The City approved funding for both leasing and services, and the site opened as an interim housing site on December 27, 2022. The site would have otherwise returned to its previous use as a hotel charging market rates, at the discretion of the owner. The services funding is provided by the City, but is eligible for reimbursement from the County.</p>

A booking agreement confirms a fixed nightly rate, but motel rooms used may fluctuate based on the number of participants at a location and room availability. An occupancy agreement includes a fixed nightly rate as well as a guaranteed number of rooms, regardless if they are filled or not. When the program for veterans closed, VOALA expressed interest in operating the site as City interim housing. VOALA did not otherwise have funding options available to continue services at the site. The City's Bureau of Engineering (BOE) evaluated the site and recommended accessibility improvements. The City provided \$10,000 in funding for accessibility improvements, and the site opened as City interim housing on July 1, 2024. The City also provides funding for services, which is eligible for reimbursement from the County.</p>
128	<p>Avalon 1355 1355 N AVALON BLVD CA 90744</p> <p>Avalon 1355, known as the Las Palmas Apartments, involved the new construction of a four-story building along with the adaptive reuse of an existing vacant single-story commercial building to create an affordable housing project with 53 PSH units. The City contributed to the project financing through the City's issuance of a tax-exempt multifamily conduit revenue note. In addition, the project was awarded a Proposition HHH Supportive Housing Loan from the City.</p>
139	<p>The Brine Residential 3016 N Main St Los Angeles, CA 90031</p> <p>The Brine Residential involved the new construction of a five-story mixed-use building to create an affordable housing project with 49 PSH units. As part of the project, three historic residential structures were relocated and repurposed. The City contributed to the project financing through the City's issuance of a tax-exempt multifamily conduit note. In addition, the project was awarded a Proposition HHH Supportive Housing Loan from the City.</p>
141	<p>DV Emergency Shelter Confidential Location</p> <p>This site was converted from an access center that did not provide shelter or housing to an emergency shelter serving survivors of domestic violence. City Measure HHH funding was used for the construction of the emergency shelter, which became operational on March 1, 2025. Funding for services at the site is provided through a contract with the City's Community Investment for Families Department.</p>
177	<p>803 E 5th St 803 E 5TH ST Los Angeles, CA 90013</p> <p>805 E 5th St involves the adaptive reuse of three interconnected commercial buildings to create an affordable housing project with 94 PSH units. 190	<p>New Hampshire PSH 701 S New Hampshire Ave, Los Angeles, CA 90006</p> <p>New Hampshire PSH involves the new construction of a six-story building along with the adaptive reuse of an existing three-story mansion building, formerly occupied by the Children's Institute childcare center and administrative offices, to create an affordable housing project with 93 PSH units. The project was awarded a Proposition HHH Supportive Housing Loan from the City.</p>
205	<p>7253 Melrose Ave</p> <p>The property located at 7253 Melrose Ave, built in 1969, is a former assisted living facility. Following the closure of the assisted living facility, the owner began rehabilitating the site in 2022 to comply with the Emergency Homeless Shelter requirements in order to lease the site as interim housing. The site has not been occupied since the rehabilitation was completed. In September 2025, the City approved a total of \$2,284,020 of Homeless Housing, Assistance, and Prevention (HHAP) funds for operations (\$1,457,820) and leasing (\$826,200) of the property. Furthermore, the City identified the service provider, Safe Place for Youth (SPY), to operate the site and worked with the Los Angeles Homeless Services Authority (LAHSA) to ensure operations will commence. The site is currently in process as the lease and service provider agreements are pending execution.</p>

- (1) This chart shows the open and in progress beds/units under the Settlement as of Sept 30, 2025 and the expected timeline for these beds/units to come online by fiscal year (FY). The difference between the number of open and in progress beds/units in the pipeline and the target number are shown in the "Current Delta" column. Negative numbers in the "Current Delta" column correspond with the number of beds or units that would need to be added; positive numbers represent projected beds or units that exceed the Council District targets. The "Current Delta" in the last row corresponds with the number of beds or units that need to be added to meet the Citywide required number under the Settlement.
- (2) Based on current projected timelines, three in-progress PSH interventions included in the Alliance pipeline may not open by June 13, 2027. These include a 137-unit project in Council District 13, and a 97-unit and a 83-unit project in Council District 14, totaling 317 units. The Office of the CAO is monitoring the timelines for these projects.
- (3) Five in-progress interventions have been removed from the previously reported Alliance pipeline due to the current projected opening dates extending well beyond June 13, 2027. These interventions are a 12-unit project and a 50-unit project located in Council District 1, a 33 unit project located in Council District 6, a 15-unit project located in Council District 8, and a 31-unit project located in Council District 15, for a total of 141 units.
- (4) As of September 30, 2025, 4 interim housing beds/units and 41 permanent supportive housing units were offline, and 7 permanent supportive housing units were pending a Housing Assistance Payment (HAP) contract from the Housing Authority of the City of Los Angeles (HACLA) before they could be occupied, for a total of 52 offline units. These units were excluded from the total reported open as of September 30, 2025 in the quarterly status report filed with the U.S. District Court but are included in the production pipeline chart above for reference.
