**Council File No:** 23-1027-S3

**Comments for Public Posting:** I strongly support this motion to analyze the possibility of the City of LA adopting multi-year budgeting. The current budget crisis shows the need for long-term fiscal planning. I'm also very glad to see that the City is interested in looking at strategies to increase public engagement. I urge the Council to approve this motion, and then to work quickly to adopt multi-year budgeting. This is long overdue.
