A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

COMMUNITY IMPACT STATEMENT

April 7, 2026

To hon. members of
Los Angeles City Council, the Charter Reform Commission,
and the Board of Neighborhood Commissioners

RE: COUNCIL FILE 23-1027

Empowerment Congress Central Area (ECC) Neighborhood Development Council **strongly supports** the recommendations and changes that were outlined by the South Los Angeles Alliance of Neighborhood Councils (SLAANC) in their letter dated March 26th, 2026.

Our organization has been vocal and engaged on this topic, with multiple constituents and board members relieved to have the opportunity to voice our concern on behalf of this historically underserved area of our city. The thoughtful work done by Chairwoman Mason and her team speak directly to the need for larger change to finally come to our City Charter.

This CIS was approved by a vote of our entire present and non-recused board members (7 in favor, 0 against), with no abstentions on April 7, 2026 during our Neighborhood Council's designated meeting.

A handwritten signature in black ink, appearing to read "Janay Coplon". The signature is fluid and cursive, with the first name "Janay" being more prominent than the last name "Coplon".
