Contract Amendment Negotiation Status

Barbara Romero

Director & General Manager

February 23, 2024

Approved Recommendations

- TO IMPROVE RECYCLA PROGRAM COUNCIL APPROVED LASAN TO SIMULTANEOUSLY PURSUE THE FOLLOWING OPTIONS:

Option 2: Authorize the immediate negotiation of contract amendments.

Option 2a: Authorize the reorganization and distribution of recyclA zones.

Option 3: Authorize the development and release of a new Request for Proposal (RFP).

Option 4: Authorize LASAN to assume operating services to one, multiple, or all recyclA service zones.

SB 1383 Current Compliance Status

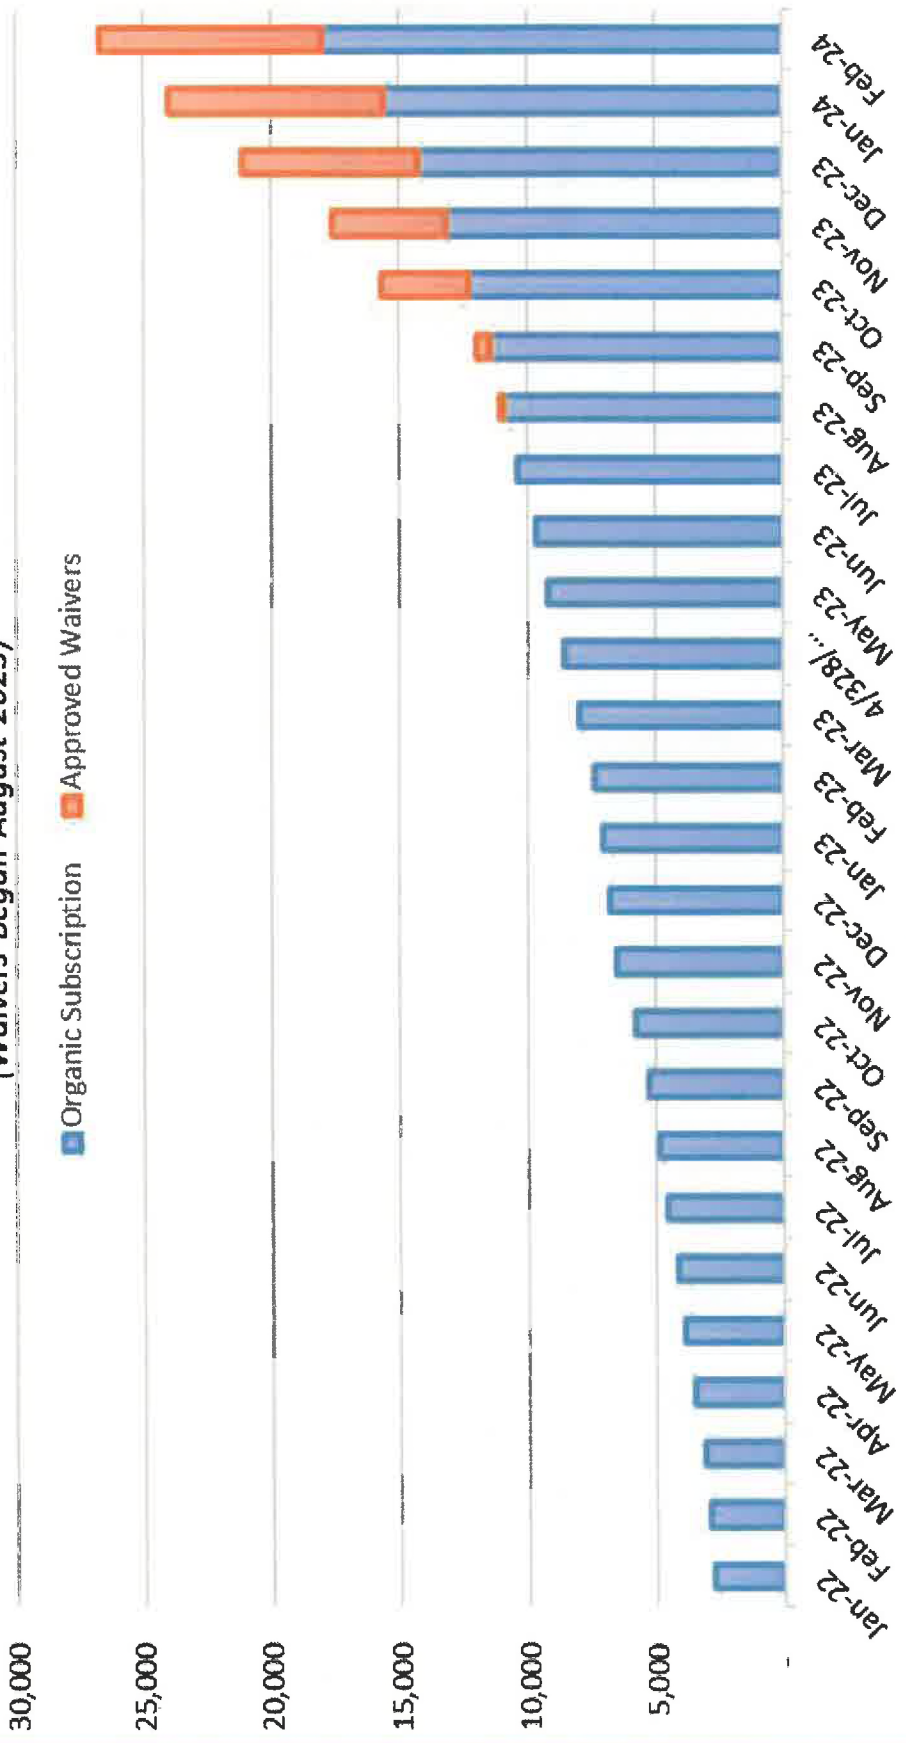

As of February 15, 2024

- All 750,000 LASAN residential customers have access to green bin as required under SB 1383
- Total Number of recyclA Customers = approx. 66,700
- Total Number of Customers Subscribing to Organics = 17,984
- Total Number of Waivers Issued to date = 8,758
- Number of customers awaiting waste assessment = 5,000
- Percentage of Customers in Compliance with SB 1383 = 40%
 - 45% of Commercial Customer are in compliance
 - 35% Multifamily Customers are in compliance

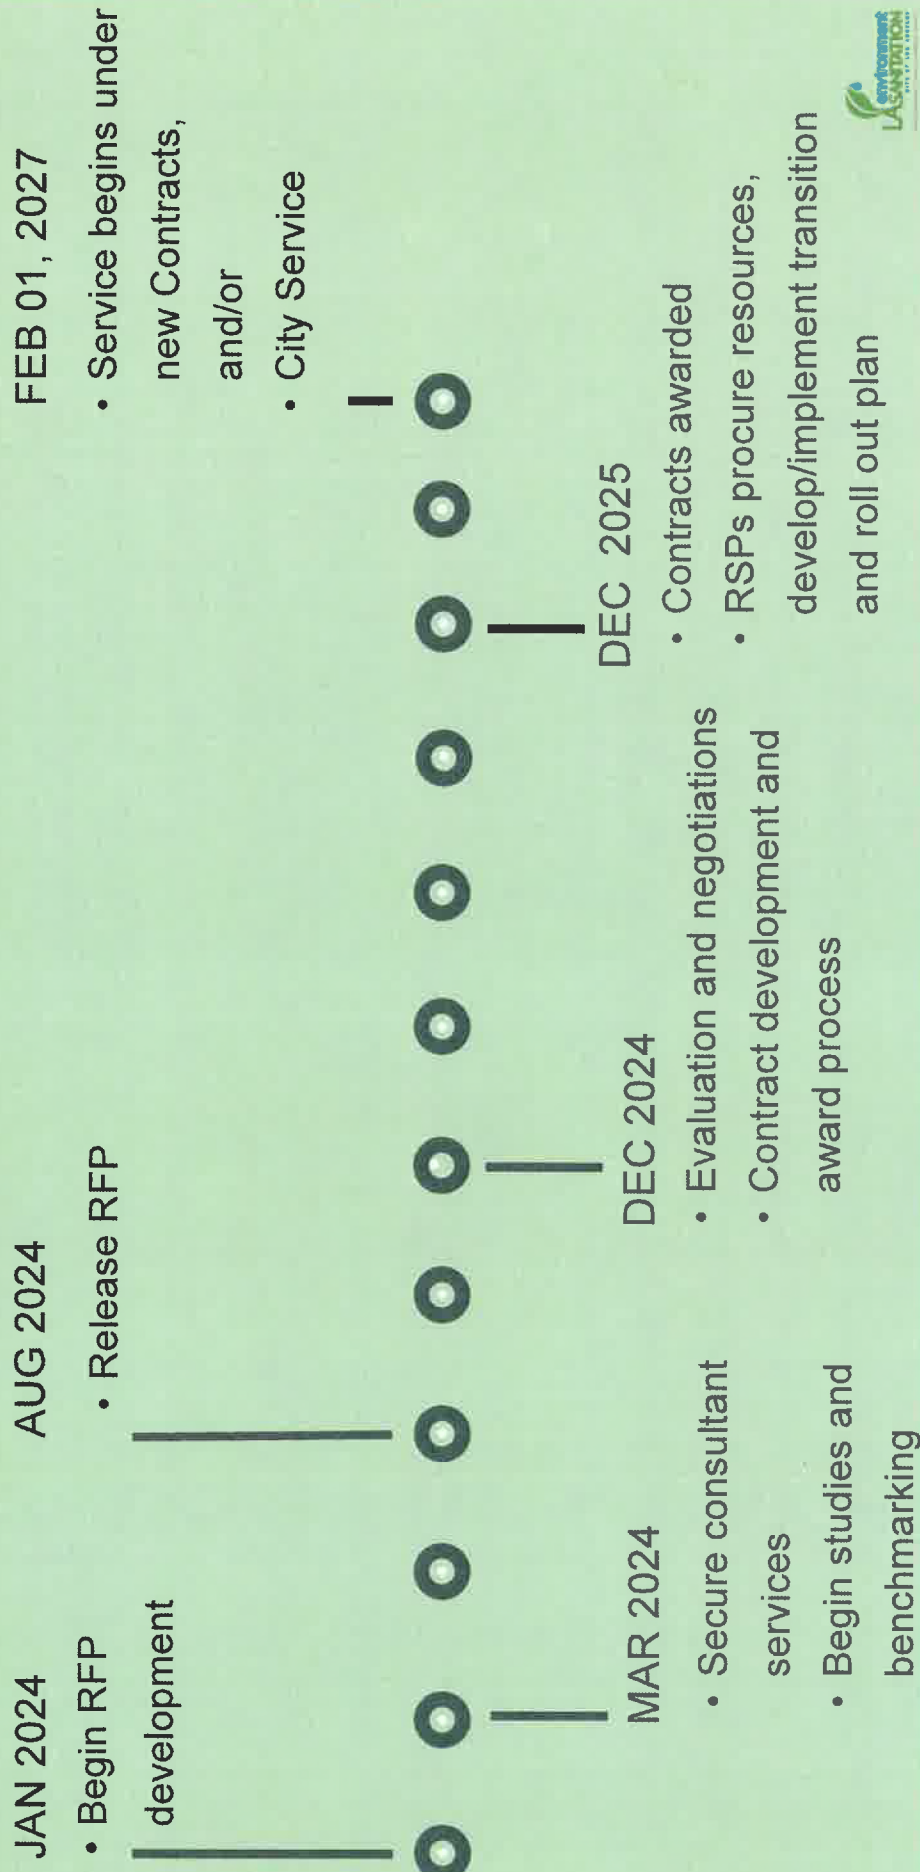

SB 1383 Compliant recyclLA Customers (Waivers Began August 2023)

recyclA Negotiation Update

- LASAN began negotiations with the RSPs on October 30, 2023.
 - LASAN provided each recyclA Service Provider (RSP) a confidential list of items to be addressed in negotiations.
 - LASAN held three negotiations with each RSP as well as email exchanges.
- No agreement with RSPs on key components.
- LASAN moved its focus to the development of a new RFP that will address lessons learned related to the current contract and required terms for implementing the City's zero waste goals including organics implementation.
 - LASAN has submitted to the CAO the Notice of Intent to Contract (NOI) and Personnel Form 1022.

RFP Development and Award Process
