Comments for Public Posting: I am Norma O. Chávez, president of the Sun Valley Area Neighborhood Council, and I am speaking on my behalf. I was listening to the meeting today, Nov. 1, and was waiting in line to make public comment but for some reason was not called. I urge City Council to approve this resolution so that neighborhood councils can meet virtually and use this feature to be able to accommodate to the needs of their board members and community stakeholders. Neighborhood Councils should be able to hold virtual meetings and be supported with the necessary equipment from DONE or any City agency.
