**Comments for Public Posting:** I strongly recommend the adoption of this resolution to allow Neighborhood Councils to meet virtually. I live in Lake Balboa (Council District 6), and while I'm not a Board Member of my NC I would like to become more involved, starting by attending more meetings. However, I'm very often still at work when meetings occur. Having the ability to attend these meetings virtually would greatly increase my engagement with my NC and therefore with the city more generally, something I very much would like to do. Thanks in advance.

**Comments for Public Posting:** Please support CA SB 411 for Neighborhood Councils to hold meetings via ZOOM. We had much more participation via ZOOM and many more city, county and state reports.
