Comments for Public Posting: My name is Lionel Mares, board member of the Sun Valley Area Neighborhood Council in (San Fernando Valley) Los Angeles, in strong support of SB 411, and I support this resolution to allow Neighborhood Councils the option to meet virtually for greater public participation and accessibility. Furthermore, some Neighborhood Councils struggle to find a meeting location to hold in person meetings and having the option for teleconferencing would allow Neighborhood Councils to meet (virtually) and have a quorum. I urge the committee to support Neighborhood Councils and pass this resolution. Thank you!
