A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

COMMUNITY IMPACT STATEMENT

November 27, 2023

To hon. members of
LOS ANGELES CITY COUNCIL

RE: LA Neighborhood Councils / SB 411
CITY COUNCIL FILE # 23-1114

Empowerment Congress Central Area (ECC) Neighborhood Council proudly supports council file CF 23-1114 / SB 411, which amends the Ralph M. Brown Act to allow local legal legislative bodies, including appointed boards, commissions, advisory bodies, and neighborhood councils to continue to conduct most meetings virtually in the absence of any special circumstances and subject to appropriate safeguards to ensure full and robust opportunities for public participation, including by persons who lack means of digital access.

Our organization and stakeholders have found teleconferencing to be a safe, convenient, and invaluable method to stay involved in their neighborhoods. By continuing to hold our meetings virtually, we will allow more of our community to participate in the civic process, including members of our board and our executive officers whose work/life situation has made physical meetings inconvenient.

This CIS was approved by a vote of our entire present and non-recused board members (10 in favor, 0 against), with no abstentions on November 27, 2023 during our Neighborhood Council's designated meeting.
