A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: Intent for Arleta Neighborhood Council to have the option to hold meetings that include virtual teleconferencing under the rules of 2025 California State Senate Bill 707 (SB-707). CIS 23-1114 This is a letter submitted as a CIS for Council File 23-1114 from the Board of Arleta Neighborhood Council addressed to the Los Angeles City Council and to the Los Angeles City Attorney and to the Honorable Mayor Karen Bass, to the Department of Neighborhood Empowerment (DONE), Board of Neighborhood Commissioners (BONC) and to any other L.A. entity that may have a say in this matter. We were grateful for the L.A. City Council having voted to allow Neighborhood Councils to meet virtually, in opportunities when we choose to exercise this option, under the provisions of the previously passed California State Senate Bill 411.

Our Arleta Neighborhood Council opted-in with a unanimous 2/3 majority board vote on January 16, 2024 for the option to meet this way. Unfortunately our subsequent CIS was not filed properly. Now, under the newly options and guidelines of the 2025 California SB-707 and being aware of the new rules that began as of January 1, 2026, we now by majority vote at our January 20, 2026 General Board Meeting, we at Arleta Neighborhood Council (ANC) formally submit our statement of intent to engage the option under these new rules to hold ANC meetings using teleconferencing resources whenever we deem it expedient to do so. . . .

Subject: Intent for Arleta Neighborhood Council to have the option to hold meetings that include virtual teleconferencing under the rules of 2025 California State Senate Bill 707 (SB-707). CIS 23-1114

This is a letter submitted as a **CIS** for **Council File 23-1114** from the Board of Arleta Neighborhood Council addressed to the Los Angeles City Council and to the Los Angeles City Attorney and to the Honorable Mayor Karen Bass, to the Department of Neighborhood Empowerment (DONE), Board of Neighborhood Commissioners (BONC) and to any other L.A. entity that may have a say in this matter.

We were grateful for the L.A. City Council having voted to allow Neighborhood Councils to meet virtually, in opportunities when we choose to exercise this option, **under the provisions of the previously passed California State Senate Bill 411. Our Arleta Neighborhood Council opted-in with a unanimous 2/3 majority board vote on January 16, 2024 for the option to meet this way. Unfortunately our subsequent CIS was not filed properly.**

Now, **under the newly options and guidelines of the 2025 California SB-707** and being aware of the new rules that began as of January 1, 2026, **we now by majority vote at our January 20, 2026 General Board Meeting, we at Arleta Neighborhood Council (ANC) formally submit our statement of intent** to engage the option under these new rules to hold ANC meetings using teleconferencing resources whenever we deem it expedient to do so.

We sincerely request that you seriously re-evaluate and make any required changes locally, here in greater Los Angeles, which will allow all of the Neighborhood Councils to function effectively and efficiently in our role as advisory elements who volunteer to help the L.A. City Council system stay better-connected to our communities. Also, if you would, please consider petitioning the State Legislature to update any wording in the bills that may cause further confusion. AND also, please press to have The Brown Act updated to contain wording that reflects the updated operations of government with the use of growing modern technology.

On behalf of Arleta Neighborhood Council Board,
And on January 20th, 2026, we unanimously voted as a Board, to send you this request,

Respectfully submitted,

Raymond Duran,
President of Arleta Neighborhood Council Board
