A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the to Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or rResolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

BOARD RESOLUTION

I, David Omenn, declare that I am Co-Chair of the Silver Lake Neighborhood Council (NC) and that on Wednesday, December 6, 2023, a Brown Act noticed public meeting was held by this NC with a quorum of (17) board members present and that by a vote of (17) yes, (0) no, and (0) present not voting adopted the following resolution:

Whereas this resolution is the official statement adopted by this Neighborhood Council, the Silver Lake Neighborhood Council satisfies the 2/3 board requirement of SB 411 and approves meeting virtually for board and/or committee meetings in order to increase attendance and engagement for stakeholders, to allow participation for board members despite legitimate reasons for not being able to attend in person (e.g. family or work responsibilities), and to ensure those whose health or safety may be jeopardized by in-person meetings are still able to participate.

The Silver Lake NC's intention is to continue meeting in person for monthly Governing Board meetings but to allow all Committees to convene virtually using our Zoom account. On an as-needed basis, we may shift Governing Board meetings to virtual or explore hybrid options, pending technological solutions to support doing so.

Sincerely,
Silver Lake Neighborhood Council
