Comments for Public Posting: Honorable City Council Members: Please consider, -- the City and LACERS save money by requiring retirees age 65+ be on Medicare plans; -- that this results in a cost shift to many retirees due to the IRMAAs they must pay every month -- IRMAA amounts are raised almost every year and those increases have outstripped inflation and retiree COLAs -- the City should help undo part of this increasing cost shift to retirees by agreeing to reimburse IRMAAs to a greater extent Thank you, Guadalupe N Rodarte

Comments for Public Posting: Hi I am recommending and advising that The City should reduce the increasing IRMAAs cost for I know that it will impact me increasingly likely having to pay more higher IRMAAs than LACERS currently is authorized to reimburse. As a retiree this increase would totally impact my income in a negative light. Thank you.
