Comments for Public Posting: The Keep LA Housed Coalition (KLAH) would like to share our position on Item #10 on tomorrow's Council agenda regarding a technical amendment to the recently enacted reforms to the City's Rent Stabilization Ordinance. During that process, it was determined that there was an inadvertent loophole in the ordinance language that may allow landlords to improperly raise rents at previously allowed levels. The ordinance for your consideration tomorrow resolves this loophole, ensuring that the policy reflects the Council's intent for these important reforms and also reflects KLAH priorities for clear and easily enforceable tenant protections. We thank you in advance for your support of this item, and your ongoing support of a strong Rent Stabilization Ordinance and other tenant protections.
