Comments for Public Posting: The real estate and corporate manufactured housing crisis in Los Angeles is out of control. Housing is a human right. Stop the greed and wealth hoarding. We need the city council to do more to protect renters. I'm commenting to support LARSO and a 3% rent cap. I will be following this matter closely.

Comments for Public Posting: We've seen the City fail Los Angeliños time and time again in 2025—don't fail us by not passing the rent stabilization act.
