**Comments for Public Posting:** We need a way to slow down school traffic on Oxnard St. between Platt Avenue and El Escorpion. Even though there are stop signs on several streets in the area, most cars do not stop, only slow down a little. The school traffic at 7:45-8:15 am and 3:00-3:30 pm is so bad a person could not cross the street on foot during those times. We need help. This is Bob Blumenfeld's District.
