Comments for Public Posting: I am concerned that staff has relied purely on data but not visited all of the sites to understand whether there are speeding concerns. The location along Western Ave north of Franklin Avenue does not regularly experience speeding, but there is extreme and regular speeding that occurs after the curve where it becomes Los Feliz Blvd. The Los Feliz Neighborhood Council has repeatedly asked for cameras and safety improvements to reduce speeding on Los Feliz Blvd, not Western Ave. Please consider moving the speed camera location in this neighborhood to anywhere along Los Feliz Boulevard instead of Western Ave, or adding an additional camera on Los Feliz Blvd.
