Comments for Public Posting: Dear Members of the City Council, I'm writing to propose a support for this Speed Safety System measure. 1st Street and Alameda Street in CD 14 is a major corridor where a lot of foot traffics present, cyclists ride and tourists from all over the world to visit Little Tokyo day and night. We've seen multiple incidents where cars almost hit a pedestrians crossing the crosswalk, cars running red lights, cars speeding in all 4 directions where families, kids, tourists walk and run. We absolutely need speeding cameras to protect the neighborhood, its' integrity and provide the safety for all.
