

TRANSPORTATION COMMITTEE REPORT relative to an update on the work plan to implement an Automated Speed Enforcement Program.

Recommendations for Council action, as amended:

1. DIRECT the Los Angeles Department of Transportation (LADOT) to:
 - a. Report on options for procurement of a vendor to install and operate the Speed Safety System Pilot and expedite the launch of the pilot. These options must adhere to the requirements of Assembly Bill 645, including the timeline, for the pilot.
 - b. Report with the 200 locations identified by the consultant team and an engagement plan to finalize the list of 125 locations to install speed safety systems.
2. INSTRUCT the LADOT to require the consultant to include an analysis of the following street segments as they study and identify priority locations in the Speed Safety System Pilot program:
 - a. Vista Del Mar between Imperial Highway and Napoleon Street
 - b. Mulholland Drive between 15951 Mulholland Drive and 16200 Mulholland Drive
 - c. Slauson Avenue between Culver Boulevard and Braddock Drive

Fiscal Impact Statement: The LADOT reports that there is no impact to the General Fund. The task order agreement to deliver the locations, Impact Report, and Use Policy will be provided through the Measure M Local Return Fund for a total cost not to exceed \$500,000. Neither the City Administrative nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: Yes.

For:
Los Feliz Neighborhood Council
Studio City Neighborhood Council

Summary:

On September 10, 2025, your Transportation Committee considered an August 20, 2025 LADOT report relative to an update on the work plan to implement an Automated Speed Enforcement Program. According to the report, speed accounts for nearly one-third of traffic fatalities, and Automated Speed Enforcement studies show reductions in speed

ranging from 31 percent to 82 percent and reductions in fatal crashes ranging from 53 percent to 71 percent. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the LADOT report recommendation, as amended. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
