DATE: June 26, 2024

TO: Honorable Members of the City Council

FROM: Sharon M. Tso 
Chief Legislative Analyst

Council File No.: 23-1194
Assignment No.: 24-06-0461

SUBJECT: Inside Safe Operations

SUMMARY

On April 25, 2024, the CLA released a report which provided the Council with a list of Inside Safe Operations, from December 20, 2022 to February 1, 2024, their start and end dates, locations where the encampment resolution operations took place, number of placements, service providers used, cost of hotel/motel rates, and cost of service provision. The CLA report includes a table that lists 80 Inside Safe locations and is populated with data provided by Los Angeles Homeless Services Authority (LAHSA).

On June 25, 2024, CLA released a report with revised data provided by LAHSA on June 24, 2024. On June 25, 2024, after the release of the CLA Report, LAHSA provided the CLA with a revised data set. LAHSA reports that the information they transmitted on June 24, 2024 contained discrepancies in operation dates and Council District locations.

The CLA will review the newly provided data and prepare a supplemental report. Attached is LAHSA's most recent Inside Safe matrix received by the CLA's Office with the revised data.

RECOMMENDATION

That the City Council note and file this report as it is for informational purposes only.
