Comments for Public Posting: I am president of the Palms Neighborhood Council. This comment reflects my opinion only. I can't think of a better choice for the Ethics Commission than Jamie York. Ms. York is as passionate about ethics as anybody I know. She has raised the consciousness of Neighborhood Council members where ethics are concerned. She single-handedly convinced around 40 Neighborhood Councils to write CISs in support of Council File 22-0560 about MLO updates. When was the last time you saw 40 NCs weigh in on a council file? It doesn't happen. But Ms. York made it happen. All for the betterment of the City and not for herself. When I get stuck trying to chase down a potential ethics violation, Ms. York points me to the best place to continue my investigation. I look to her for this kind of advice because she has the knowledge to provide it. Knowledge. Passion. Drive. She is what we need. Please confirm her appointment. Thank you.
