Comments for Public Posting: Baaah. Baaaaah. York is on the Reseda N.C. She always tries to stop the rules violators and other trouble makers so they follow the Brown Act. Baaaaah. Baaaaah. Also, York learned about handling complex Public Records requests (that should be in her resume.) Controller Mejia defeated a big fat pig named Peppa Pig Koretz for Controller, beating him in ALL 15 Council Districts. Very popular winner. Baaaaah. Baaaaah. Mejia wants York to go on the Ethics Commission and start DOING SOMETHING about the thieves, felons, liars, cheats, and assholes we have working in the local Government, like: Jose Huizar, Nury "Luisa" Martinez, Gil Cedillo, Mitchell Englander, Mark Ridley-No Name, Curren DeMille Price, DWP Commissioners, and Staffer B. Form 700 violations are RAMPANT. Slap on the wrist fines are common, and most of all, delays long enough to max out the statute of limitations are all too common on the "Un-Ethical" Commission. York, however, seems to be a CONTRIBUTOR to the delinquency of the City, as she raised money for the worst mayor EVER Eric Garfraudo Garcetti, according to the C.V. I just read. Baaaaah. Baaaaah. Federal Judge Stanley Blumenfield (no relation to Blieb Blowbenbield of CD3) said there is a high level of Perfidy in the City Attorney's office., in USA v. Paradis) I agree. Baaaaah. But given the garbage this animal has seen on the "Un-Ethical" commisssion, York should be an upgrade. Baaah. Baaaaah.
