Comments for Public Posting: I strongly support Jamie York for the Ethics Commission. She is very knowledgeable about City ethics issues and has worked for important reforms to the Municipal Lobbying Ordinance. She was successful in getting many Neighborhood Councils to submit Community Impact Statements to the City Council in support of Municipal Lobbying Ordinance Reform. (See Council File No. 22-0560). I can't think of anyone who is as well qualified and committed as Jamie to serve on the Ethics Commission. For identification purposes, I am 2nd Vice President of the Tarzana Neighborhood Council and Chair of its Animal Welfare Committee, but I submit this comment in my individual capacity. Sincerely, Jeffrey Mausner
