Comments for Public Posting: Jamie York is the perfect appointee to the Ethics Committee. She is very knowledgeable about City ethics issues and has worked for important reforms to the Municipal Lobbying Ordinance. She was relentless and successful in getting many Neighborhood Councils to submit Community Impact Statements to the City Council in support of Municipal Lobbying Ordinance Reform. (See Council File No. 22-0560). In this time of continuous scandals involving ethics violations with public officials, there is no better person for this position than Jamie. Further, she is a voice for the San Fernando Valley on the Ethics Commission, I trust her appointment shall be approved forthwith. For identification purposes, I am the volunteer/Service Representative of the Encino Neighborhood Council but I submit this comment in my individual capacity.
