Comments for Public Posting: I STRONGLY support Jamie York's appointment to the city ethics commission. As a long time member of the Encino Neighborhood Council, I could not think of a better candidate and I am in full support of Jamie York. She consistently advocates for transparency so that we Angelinos can see what business is being conducted behind closed doors, and her integrity cannot be bought. The City requires & deserve transparency for it to function. This appointment is the first stepping stone in cleaning up the corruption in the City.

Comments for Public Posting: As a ethnic family owned business owner I wholeheartedly support Jamie York. She has proven time and time again she will stop at nothing to fight for our city . Our community in Reseda and throughout the city are truly grateful she has fought along side us to save our small businesses and neighborhoods. We would love for her to be able to expand her unmatched skills and the knack to uncover any potential corruption throughout Los Angeles to represent us Angelenos..We need Jamie York to hold those in power accountable for the future of Los Angeles.

Comments for Public Posting: You corrupt cabal of assclowns are not even bothering to hide your dirty politics now. The blatantly unscrupulous way this was handled today is beyond the pale. Get ready, because you've swatted the hornets' nest. Who's going to be first on our list? Monica, you ready? We know things.
