Comments for Public Posting: I am a Board Member of Sun Valley Area Neighborhood Council. This comment reflects my opinion only. I strongly support Ms. Jamie York for the Ethics Commission. She is the best choice, very knowledgeable about City ethics issues and has worked for important reforms to the Municipal Lobbying Ordinance. She assisted Neighborhood Councils in submitting Community Impact Statements to the City Council in support of Municipal Lobbying Ordinance Reform. She is the most qualified for this position. Ms. York has the background and experience, and the council decision to remove her is quite shocking and asks for explanation and transparency.
