Comments for Public Posting: FilmLA is unable to attend this meeting tomorrow due to the BPW hearings these past two weeks and had to reschedule our Board of Directors meeting to 6/24 at the same time as this meeting in order to have our FY2025-26 budget approved before June 30th. FilmLA's comments are as follows: • We hope everyone in the City can get a Living Wage. • What we are hearing from the small independent filmmakers is that they are hoping the City can reduce or waive fees for them, as they are struggling financially due to the high cost of fees and personnel requirements by the City. • We are happy to respond to any follow-up questions that arise during the meeting, although it will have to be after we adjourn our Board meeting tomorrow.
