RE: COUNCIL FILE TRANSMITTAL, C.F. 23-1228

On June 24, 2025, the Arts, Parks, Libraries, and Community Enrichment Committee considered a Joint City Administrative Officer (CAO) and Department of Recreation and Parks (RAP) joint report relative to an economic overview of comparable wages and benefits for the City's park activity monitors and film monitors, compared to the film industry, and related matters, Council file No. 23-1228.

After consideration, the Committee moved to Note and File the report and add the following recommendation:

INSTRUCT the CAO and RAP to report with information or research to be done any other models cities use to incentivize film production, and to also look at how many permits need to be issued for all park film monitors to be eligible to become exempt half time, that is, how many permits that would be required to get to that end.

This file is now transmitted to the Economic Development and Jobs Committee.

Arts, Parks, Libraries, and Community Enrichment Committee
