RE: COUNCIL FILE TRANSMITTAL

On January 13, 2026, the Planning and Land Use Management Committee considered a report from the Los Angeles World Airports (LAWA) relative to the community engagement strategies employed by LAWA in its work on a Vision Study for Van Nuys Airport, Council file No. 23-1338. After consideration, and having provided an opportunity for public comment, the Committee moved to approve the following recommendations:

1. RECEIVE and FILE the LAWA report dated October 30, 2024.
2. REQUEST LAWA to continue working with the Council and the Department of City Planning (DCP) on the Van Nuys Airport Specific Plan, including any work necessary to establish the Memorandum of Understanding and scope-of-work with the DCP.

This file is now transmitted to the Trade, Travel and Tourism Committee.
