On February 8, 2024, the Trade, Travel and Tourism Committee considered a Motion (Padilla - Raman) relative to preparing a report on the progress, community engagement, and planned steps to complete the Van Nuys Airport (VNY) Vision Study.

After an opportunity for public comment was provided, the committee recommended that Council approve the recommendations below, pursuant to Motion (Padilla - Raman):

REQUEST Los Angeles World Airports (LAWA), in consultation with the City Planning Department, to prepare a report with recommendations in 30 days on the following items:

- a. A complete description of the community engagement strategies undertaken by LAWA in the following completed phases of the VNY Vision Study: *Introduction & Listening* phase and *Consult & Share Vision Study Land Use Alternatives* phase, including an inventory of community attendance at outreach events.
- b. A complete description of the community engagement strategies currently being undertaken by LAWA in the *Select Vision Study Preferred Land Use Alternative* phase of the VNY Vision Study, a projected list of activities remaining to complete this phase, and a specific timeline for the completion of this phase.
- c. Identify steps required, and a specific timeline for the remaining VNY Vision Study phases to finalize and adopt the VNY Specific Plan and any additional planning tools.

Pursuant to the multiple referrals of this matter, the subject Council File is hereby transmitted to the Planning and Land Use Management Committee for further consideration.

Respectfully,

Conrad Rodriguez
