Comments for Public Posting: Dear City Councilmembers, My mother was a member of B'nai B'rith Girls growing up. Therefore, it is a particular travesty, hearing of the original building's proposed secret demolition. I kindly request that you table any discussions of a proposed settlement between property owner Catholic Charities and the City Attorney until the agreement is made public, and hold your discussion of potential demolition of this cultural and architectural landmark publicly. Thank you for your time and consideration in this matter. Sincerely, Elise Kane
