Dear PLUM Committee members and staff,

I care about the historic B'nai B'rith Lodge at 846 South Union Avenue, a landmark for the Jewish and Labor communities where the Teamsters Union was integrated, and thank City Planning staff for refusing to grant the demolition permit. Please table any discussions of a proposed settlement between property owner Catholic Charities and the City Attorney until the agreement is made public, and hold your discussion of potential demolition of this cultural and architectural landmark that is covered in priceless Batchelder tiles in an open forum where citizens can participate. Super interesting and significant cultural history -- and a beautiful exterior -- and the landmark can be utilized in adaptive re-use. This building's architect, Samuel Tilden Norton, was also one of the architect's for my temple, Wilshire Blvd. Temple.

Thank you.

Dear PLUM Committee members and staff,

I care very much about the historic B'nai B'rith Lodge at 846 South Union Avenue, an historical landmark for the Jewish and Labor communities where the Teamsters Union was integrated, and I want to thank the City Planning staff for refusing to grant the demolition permit.

On Tuesday, February 20th, the PLUM Committee of Los Angeles City Council is scheduled to hear about the confidential agreement in a closed session, then vote on a matter that is of great interest to the public, but which no member of the public will be able to hear. Why the secrecy? Why should the property owner, Catholic Charities, be allowed to go ahead with the demolition of this Jewish cultural treasure and architectural landmark that is covered in priceless Batchelder tiles?

I grew up in Los Angeles but now live in Japan. Looking at my hometown from across the Pacific, it's very sad to see what L.A. is becoming. Please protect the architectural jewels which make Los Angeles unique. We don't need more and more ugly concrete boxes.

Please table any discussions of a proposed settlement between property owner Catholic Charities and the City Attorney until the agreement is made public, and hold your discussion in an open forum where citizens can participate.

Thank you.
