Summary:

On December 4, 2024, your Transportation Committee considered a Resolution (Park – Lee) relative to establishing oversize vehicle parking restrictions along certain street segments of McLaughlin Avenue and Campus Drive, in CD 11, as detailed in the Resolution and in Recommendation No. 1 above. According to the Resolution, there is an increased problem with oversized vehicles parking along several street segments in CD 11 where large vehicles are often parked overnight and constrict travel lanes, thereby creating dangerous situations. Pursuant to LAMC Section 80.69.4, and California Vehicle Code Section 22507, it is proposed that the parking of vehicles that are in excess of 22 feet in length or over seven feet in height, during the hours of 2:00 a.m. to 6:00 a.m., be prohibited along the street segments as detailed in Recommendation No. 1. After

consideration and having provided an opportunity for public comment, the Committee recommendation to approve the Resolution failed. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
