**Comments for Public Posting:** No Gondola. I'm serious. It will destroy this neighborhood. It's not going to bring new business to Chinatown. Have you ever been here? It's busy all the time! And we love our park. The people who lived here before me fought to have a park for 20 years. They finally get one and now Frank McCourt and his deep pockets gives donations to elected officials then all of a sudden, he's gonna build a Gondola that will destroy our park? It won't do ANYTHING to ease up Dodger traffic. Do a traffic study! Once hasn't been done in ages! I'm certain you can find another solution for the congestion.
