RE: Transmittal for Council File No. 24-0037

On March 26, 2025, the Transportation Committee considered reports from the City Attorney, dated October 9, 2024, and the Los Angeles Department of Transportation (LADOT), dated March 19, 2025, relative to Assembly Bill 436, cruising laws and enforcement, and implementation of community engagement.

After an opportunity for public comment, the Committee recommended the Council:

1. NOTE and FILE the LADOT report, dated March 19, 2025, relative to AB 436 community engagement implementation.
2. REPEAL Section 80.36.10 of the Los Angeles Municipal Code (LAMC).
3. DIRECT the LADOT to remove all posted anti-cruising signs related to LAMC Section 80.36.10 and former Section 21100(k) of the California Vehicle Code.
4. DIRECT the Bureau of Street Services, in order to balance protecting public safety while also supporting the historical significance of cruising culture, to explore the use of special event permits to allow for the hosting of regulated cruising and car show events on the public right-of-way.

Pursuant to multiple referrals of this matter, the subject Council File is hereby transmitted to the Public Safety Committee for further consideration.

Respectfully,

Rita Moreno  
Legislative Assistant, Transportation Committee
