**Comments for Public Posting:** HOUSING AND HOMELESSNESS COMMITTEE REPORT relative to governing procedures for the marketing and tenant selection for newly constructed covenanted affordable housing units in unsubsidized, mixed income projects created through Transit Oriented Communities (TOC), Density Bonus and similar programs; and if changes will be necessitated by the roll out of the Comprehensive Online Affordable Housing Search System; and related matters. OPPOSED because the City is supporting affordable housing that has 50-year covenants. By doing so, are creating a City that fifty years from now will have no affordable housing because of the 50-year covenants. The City should also make an effort to explain that affordable is not a fit for many tenants as "affordable" means income restricted.
