

MOTION

Westside Neighborhood School (Borrower), a California-non profit corporation, has requested that the California Municipal Finance Authority (CMFA) issue one or more series of bonds in an aggregate principal amount not to exceed \$15,000,000 (Obligations) for the purpose of financing and/or refinancing the acquisition, construction, improvement, renovation, furnishing and equipping of an educational facilities project known as Westside Neighborhood School (Project), located at 5340 Alla Road in Council District 11. The Project will be owned by the Borrower and will house and support the Borrower's educational programs, currently including pre-school, developmental kindergarten, kindergarten, elementary school and middle school.

In accordance with the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and as part of the issuance of the Obligations, CMFA conducted the required public hearing on July 29, 2026. Notice of the public hearing was published on July 21, 2026. CMFA is required to provide proof to the California Debt Limit Allocation Committee that a TEFRA hearing has been conducted as part of the application process.

No City funds are or will be pledged to support the Project. The City is required by federal law to review and approve the issuance of bonds or revenue obligations for projects within its jurisdiction. The Obligations are payable solely from revenues or other funds provided by the Borrower. The City does not incur liability for repayment of the Obligations. To allow the bonds to be issued, the Council should consider the minutes of the TEFRA public hearing and adopt the required Resolution (attached).

I THEREFORE MOVE that City Council consider the attached results of the TEFRA public hearing held on July 29, 2026 and adopt the attached TEFRA Resolution to allow the California Municipal Finance Authority to issue revenue bonds or notes in an aggregate principal amount not to exceed \$15,000,000 to finance and/or refinance the acquisition, construction, improvement, renovation, furnishing and equipping of an educational facilities project located at 5340 Alla Road in Council District 11.
