SUMMARY

At the meeting held on August 27, 2024, your Public Safety Committee considered a May 28, 2024 Public Safety Committee report and April 4, 2024 Board report relative to acceptance of a non-monetary donation valued at \$26,937 to provide two police service dogs for Metropolitan Division's K-9 Platoon. According to the Board, this donation will provide two police service dogs for Metropolitan Division's K-9 Platoon and allow for the replacement of dogs that have retired out of the program due to age-related physical and mental deterioration. Approval of this donation will support the K-9 Platoon to assist field and detective operations effectively with police service dogs performing at Platoon standards.

After an opportunity for public comment was held, the Committee recommended to approve the recommendation in the Board and Committee report. This matter is now submitted to the Council for consideration.

Respectfully Submitted,
